Re: Petra Diamonds SA (Pty) Ltd deferment of August 2024 South African Previewing and Tender

Dear Clients

Owing to continued pressure on the rough market, we have decided to defer our August sale in an effort to curb unnecessary rough supply. Dates for the next tender will be announced in due course.

Please accept our sincerest apologies around plans made for the sale in Johannesburg.

The sale of the Williamson production will go ahead as planned. The sale of the Tanzanian production in Antwerp will run from 16th-23rd August.

Sincerely yours,

Greg Stephenson
Sales and Marketing Executive
